

EVENT PROPOSAL

"KING OF BUKIT LARUT 2014"

EVENT ORGANIZER

Pacat Adventure Team (www.facebook.com/teampacat)

We're an amateur sport team founded in June 2010 and have participated in various road and trail marathon races hosted in Malaysia, Singapore, Thailand and Indonesia.

We're also the founder of ultra running group called 'Le Ultra Sabun' and organized a monthly training run in Putrajaya since Oct 2012 independently. We have 50 exclusive members at this moment and increasing.

The King of Bukit Larut 2014 organizing committee are:

- Race Director :
Hairi Zalman bin Ahamad (0124552794))
- Communication Director :
Zulkiflee bin Zainal (0172769900)
- Technical Director :
Arman Salleh bin Arshad (0126740200)

Registered company:

K Shop Solution (001996588-P)

No. 8 Jalan 5B/7, Seksyen 5,
43650, Bandar Baru Bangi,
Selangor

EVENT OVERVIEW

The inaugural 'King of Bukit Larut' or in short KOBL is a small scale running event with a special features. It's totally a road race starts from the foothill of Bukit Larut heading to the Hilltop station, then runners will make a u-turn to the foothill to finish the race. Not many hills or mountains in Malaysia have a tarmac road access all the way from the base to the peak, thus make Bukit Larut unique on its way.

EVENT OBJECTIVE

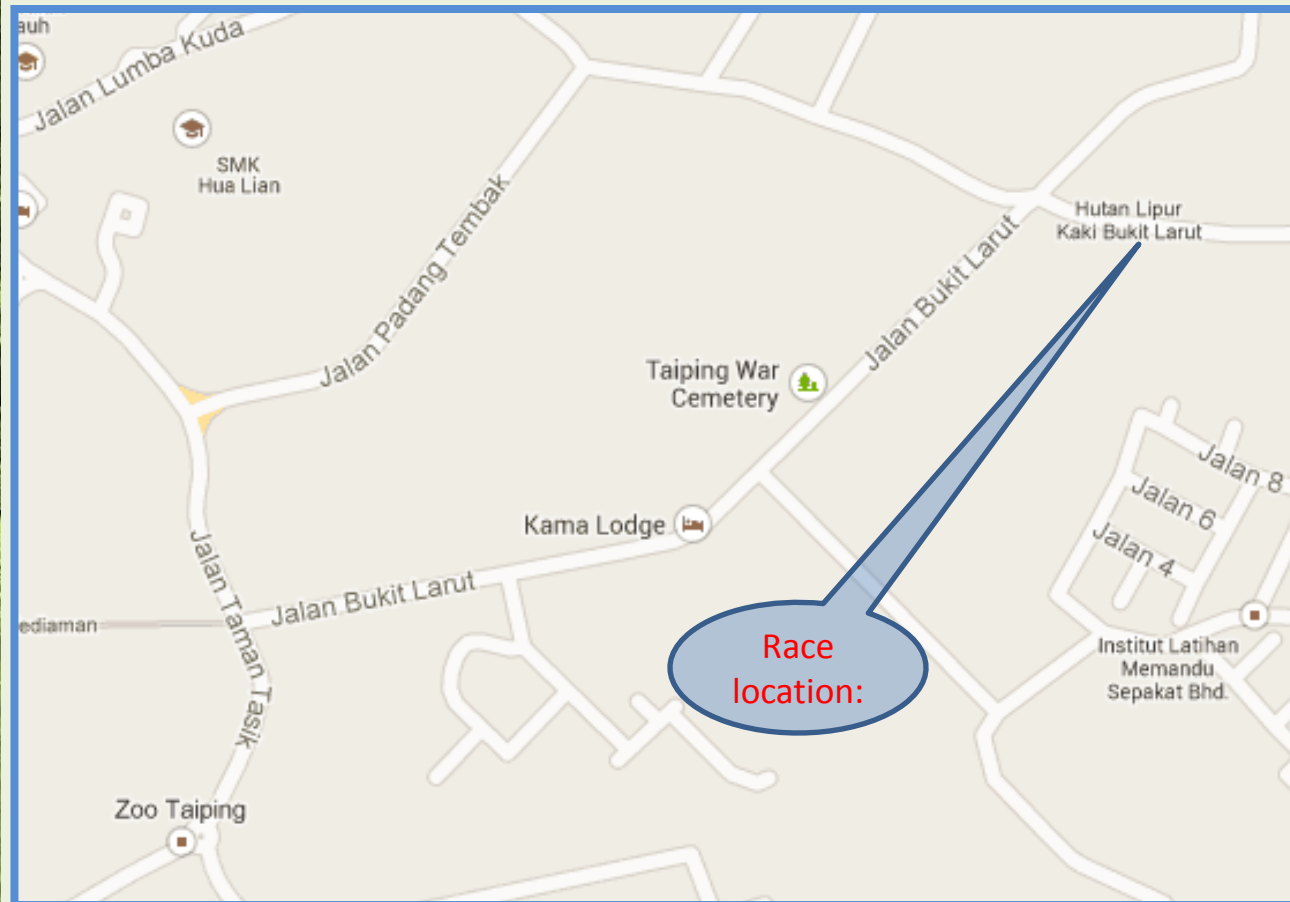

- To promote running as healthy and fun activity
- To encourage seasoned runner to participate in ultra marathon race.
- Promoting Bukit Larut and Taiping generally as a unique tourism destination

WHEN AND WHERE

Saturday, 19 April 2014 at Bukit Larut, Taiping, Perak
Darul Ridzuan

RACE LOCATION

We are planning to use the Pejabat Bukit Larut compound area ie parking space in front of the public toilet as a race site. A few tents and start/finish arc will be setup on this space.

RACE CATEGORY

There will be 2 race distances to accommodate a different fitness level of runners and it's open to runners aged 18 years old and above only

Category
A – Men's Open 20km
B – Women's Open 20km
C – Men's Open 50km
D – Women's Open 50km

PARTICIPANTS

We are limiting the number of participants to 200 only for both categories which consist of 150 for 20km categories and 50 runners for 50km categories. We are expecting oversea runners as well

RACE COURSE - 20KM CATEGORY

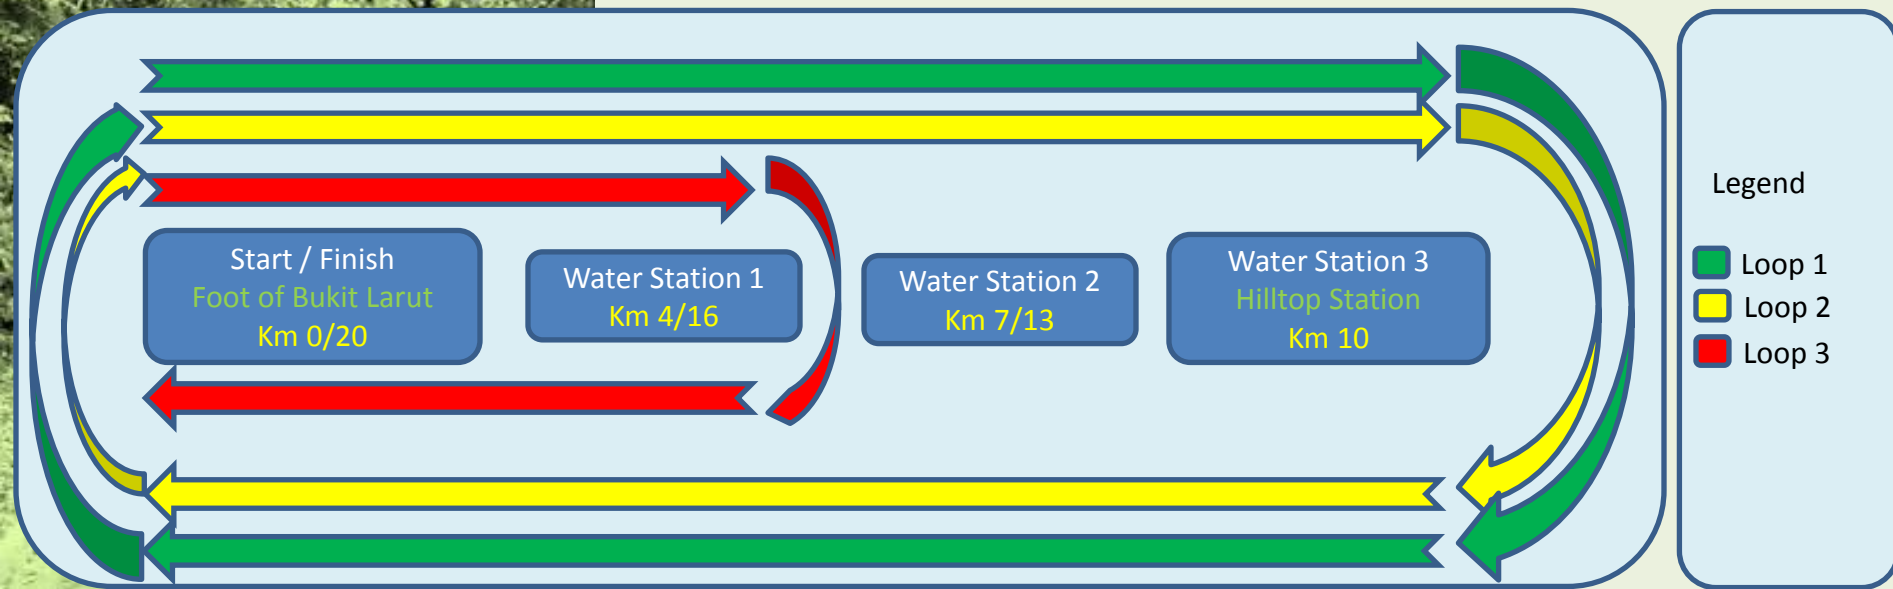

20km runners will start from the base, run on the tarmac road towards the hilltop station and then make a u-turn to the base to complete the race.

*this is just a brief description of the race course. We will release a proper course marking, measurement and map once permission granted.

RACE COURSE - 50KM CATEGORY

- 50km runners will start from the base, run towards the hilltop station using the tarmac road and return to compete 1 loop of the course (as indicated in green)
- then do the 2nd loop (yellow) and the final loop (red) with a shorter uturn point (tea garden)

*this is just a brief description of the race course. We will release a proper course marking, measurement and map once permission granted.

SAFETY

- Professional medic team and ambulance service will be on standby during the race
- RELA members will be deployed to assist in crowd control
- Participant must declare their health condition during registration
- Organizer has a right to delay, stop or postpone the event if the safety of runners and other related parties are at risk

WATER STATION

- There will be 4 waterstations (WS) throughout the race course
- Each WS will be manned by adequate volunteers
- WS 1 is at the base and will be open only after the race has started. Water/isotonic drink and light refreshment will be served to runners.
- WS 2 & 3 will have water only
- WS 4 (hilltop) will have water/isotonic/fruit and medical personnel
- All items at each WS is subject to availability.

SPECIAL NEED BAG (FOR 50KM ONLY)

- 50km runners may deposit their special need bag (race items only) at the designated tent before the race
- All bags must be tagged with runner's bib number and the water station (either WS1 or WS4 or both)
- Participant may retrieve their bag at any time during the race by showing their race bib for verification

BAG DEPOSIT FACILITY (ALL RUNNERS)

- Runners may deposit their bag (non-race items) at the designated counter before the race start.
- Each bag will be marked with runner's bib number
- Runner need to show their bib to collect their bag after the race.
- Non collected bag will be disposed
